| Team ID | PNT2022TMID1350                                    |
| Project | Smart Farmer-IoT Enabled Smart Farming Application |

The screenshot displays the IBM Cloud dashboard. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and user information (Mala Dhanalakshmi K's...). Below this, the main dashboard area is titled 'Dashboard' and includes links for 'slash.editDashBtn', 'slash.upgrade', and a prominent blue 'slash.createResourceBtn' button. The central section, labeled 'For you', features a 'Build' tile with a blue background and several 'Get started' tiles for various services like 'Set up your IBM Cloud account', 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build a virtual machine', and 'Get Started with Watson IoT'. Each tile includes a brief description and a 'Getting started' button with a time estimate. The bottom section contains three tiles: 'User access' with a 'Manage users' link, 'IBM Cloud status' with a 'View all' link and a world map visualization, and 'Planned maintenance' with a 'View all' link.
